

News Release [February 7, 2022]

Tewari De-Ox Systems, Inc. [Richmond Hill, ON, CANADA} and LEAVOY ROWE BEEF CO. LTD. [MISSISSAUGA, ON, Canada] have entered into a Joint-Venture to market and sell extended shelf-life HALAL beef portion cuts using Tewari's patented "Zero-OxTech"[®] [US & Several International Patents Pending] packaging system for Canada as well as UAE AND GCC REGION. LEAVOY ROWE BEEF with its team of HALAL beef experts performed a rigorous testing of Tewari's "Zero-OxTech"[®] for shelf-life extension of premium HALAL beef cuts and secured a 90+day shelf- life on 28 day aged beef cuts under refrigeration. "Tewari's robust "Zero-OxTech"[®] has allowed us to reach clients both in Eastern and Western Canada coast as well as our global clients to supply extended shelf-life portion HALAL beef cuts/CASE-READY/RETAIL-READY BEEF CUTS USING PREMIUM HALAL BEEF HARVESTED IN CANADA under refrigerated shipping, which was not possible before", says, Mr. Rod Rowe, Owner of LEAVOY ROWE BEEF CO. LTD. **Mr. Rowe adds, "We are excited to use "Zero-OxTech"[®] for both domestic and export markets with major retailers, and Tewari is our exclusive partner for UAE and GCC region"**.

Dr. Tewari, President & CEO of Tewari De-Ox Systems, states, "We are excited to partner with LEAVOY ROWE BEEF FOR our "Zero- OxTech"[®] process by entering into a Joint-Venture with such leading CANADIAN FEDERAL PLANT of PREIMIUM HALAL beef, who utilizes our "Zero-OxTech"[®] for clientele base in Canada and now has entered into exclusive partnership with us for UAE and GCC region".
